

Client Responsibilities

1. I need to be at the jobsite to start and finish the job to verify scope of work and product correctness. If I am unable to be there I will make other arrangements to verify job details.
2. I need to provide shoe molding or baseboard paint if applicable.
3. I need to provide a wax ring if applicable for the toilet reset.
4. I recognize this is light construction and is going to be dusty. Any covering of furnishings or walls needs to be done by me.
5. I recognize the furniture moving is done as a courtesy; it is my responsibility to make sure it is moved without damage and work with the River City Flooring crew to ensure such.
6. I have read and fully understand the Terms and Conditions, Pre-Installation Guide and Hampton Hardwoods Limited Warranty. If I do not understand any of the language or descriptions mentioned it is my responsibility to seek clarification.
